

# Leroy's Cheatsheets®

for Commodore 64 & 128

These **Leroy's Cheatsheets®** have helped hundreds of thousands Commodore users just like you. Manuals may be good when it comes to hard problems, but not when quick answers are needed. Our **Famous Leroy's Cheatsheets®** have all the commands, right there in front of you- grouped under meaningful headings. The exact keystrokes are shown in **bold** and any variables (names or numbers) are in *italics*. With **Leroy's Cheatsheets®** you'll never have to hunt for a command again. Just think of the time you'll save!

**Leroy's Cheatsheets®** are made of sturdy plastic laminated card stock for durability and offset printed for perfect clarity.

## Commodore 64

For Commodore C64 & 64C, these can be used as a reference card or a keyboard overlay. Dotted lines are marked so you can easily cut-it out yourself for a perfect fit.
